

Immunization Checklist 20\_\_ – 20\_\_

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_ Date Due: \_\_\_\_\_

In order for every student to be protected from communicable disease and to be able to participate in the school programs, The Texas Department of State Health Services has established minimum immunization requirements. All new students admitted to a Catholic School in the State of Texas are required to furnish a copy of their immunization record to the school office before they may enter school on the first day. Checked items on this list are missing from your child's records and must be furnished to the school office in order for your child to enter class.
